BANNERS WITH OPINIONS, MESSAGES, USER REFERENCES ON THE ROLE OF LIBRARY, LIBRARIAN, BOOK

Dear librarians,
On the occasion of the professional day, I give you the most sincere congratulations and good wishes

Book for me is the most true friend. The librarian acts as a mediator between the user, the book and the library. The library is quiet, wisdom, culture and recreation place for Development, Communication and Progress.

Congratulations on Librarians Day. Be always young, beautiful and magnificent.

Tatiana Botnarenco

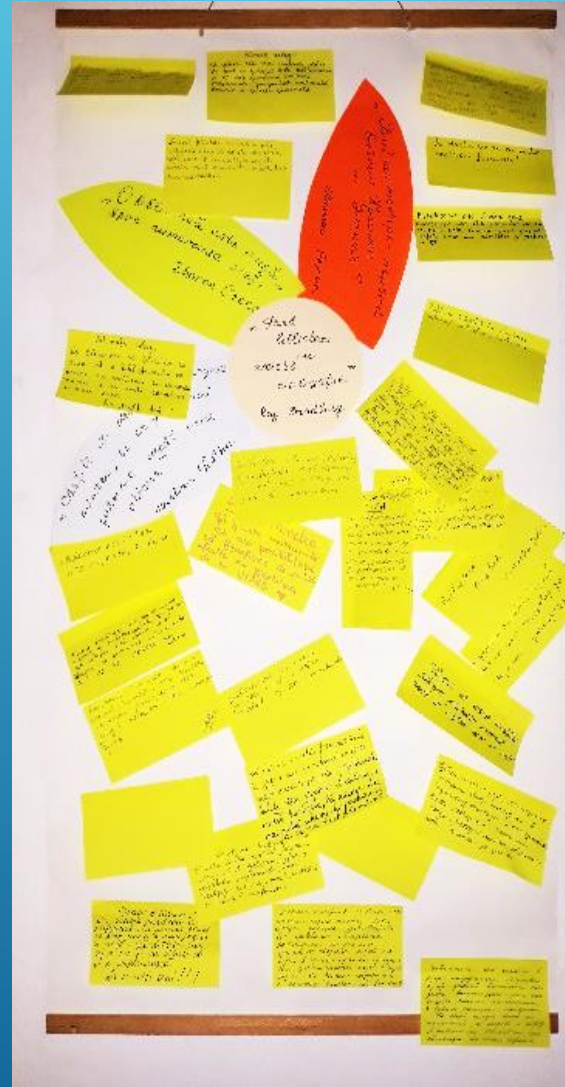

A library is a place of enchantment, a place of rest, the books being the things that embellish it.

Happy birthday, librarian!

Zaporojan Rodica

The library of Alecu Russo, Balti State University is one of the largest libraries, one of the best libraries in Moldova. Just as you go into the library it's already getting nice and warm, very cozy. All the librarians are very educated people. They are people with a capital letter. They always greeted the users with a warm and sincere smile.

I bring you the most sincere wishes of good, I wish you beautiful achievements and professional accomplishments, prosperity, health and happiness! I think, The Librarian profession is the defining sign of knowledge varied and profoundly as the fascinating world of books

At my Library I can find anything I need!

The library is the magic place where thoughts find their place and destination. This is here at the Scientific Library of „A. Russo” Bălți State University we found this place. Sincere thanks to everyone for hospitality.

Frecăuțanu M. S. Recea

A bright library with much energy with much love and quiet.

The library is the source of information, where users find everything they need. We thank librarians for their work and we wish them successes and new achievements!
