A monitoring visit project took place on 16 December 2016 at the Academy of Public Administration of Moldova. Representatives of National Erasmus+ Office, Ms. Claudia MELINTE and Ms. Ana EFROS had the pleasure of visiting our partners' institutions and discussing the progress of project activities. The representatives of National Erasmus+ Office thanked the partners for the time they devoted to the discussions and for having provided updated information on the progress that was made towards the achievement of the project objectives.

„The Moldovan partner universities are very motivated to develop the LNSS project activities and results. Considering that through this project Moldovan partner institutions involved are acquiring knowledge and know-how in the modernization of national regulation in the libraries domain, it may be recommended to encourage the Moldovan partners team to envisage for the near future, to cooperate together in developing a project at national level.”

Almudena Sáenz de Miera, Project Officer, EACEA, Managing programmes and activities on behalf of the European Commission Erasmus+: Higher education – International Capacity Building.
