

V. Topalo, European Union Center Coordinator attended an event in Râșcani.

On April the 7th, in Râșcani City Public Library was inaugurated the European Union Information Center thanks to support of the European Union Delegation in Moldova and Novateca National Project . Valentina Topalo, the coordinator of European Information Center of Scientific Library USARB promoted the training „ How to use digital platform Eubookshop”.

Valentina Topalo spoke not only about the impact implemented or the ongoing projects, but mostly they were related the participation in ERASMUS+ Capacity Building in the Field of Higher education (CBNE) Project: „Library Network Support Services: modernising libraries in Armenia, Moldova and Belarus through library staff development and reforming libraries [LNSS]”(15.10.2015 - 14.10.2018). From the Project point of view, Library Network (LNSS) will fulfill sustainability conditions: information, exchange of experience, training on sustainable development, technical assistance, facilitate LNSS process, access and participation in the process of sustainable development at national and international level. She appealed to European Coordinators to celebrate National Awareness Day or Librarian Day on the 27th of April.
